

As a trusted Chinese manufacturer and sourcing partner, LulanPanda delivers high-quality industrial equipment and components at highly competitive prices. With over two decades of expertise in producing cone crushers and spare parts, we have established robust partnerships with certified factories across China, ensuring both precision engineering and cost efficiency for global clients.

Core Offerings

- Cone Crushers & Spare Parts: Specialized manufacturing since 2003, offering OEM-compliant solutions.
- Extended Product Range: Drill bits, electric lifts, and diverse industrial machinery components.
- Custom Sourcing: Leverage our nationwide supplier network to procure any Made-in-China product tailored to your specifications.

Why Partner With Us?

- ✓ Quality Assurance: Rigorous ISO-compliant production standards.
- ✓ Cost Advantage: Factory-direct pricing with no intermediaries.
- ✓ End-to-End Service: From product development to logistics support.

Let's Collaborate

Whether you require standard equipment or customized industrial solutions, our team is committed to optimizing your supply chain. Contact us today to discover how we can add value to your operations.
